What is **My IEP**?

- My Individualized Education Program (IEP) is a roadmap to help me reach my goals.
- Each year, my teachers, my parents and others meet to talk and make decisions.
- Being a part of my IEP allows me to have a voice about these decisions.
All IEPs include the following four parts:

1. Present Level of Performance
2. Accommodations and Modifications
3. Goals
4. Services
Understanding the Parts of My IEP!

Present Level of Performance:
This part lists my strengths and needs and may include test scores and explanations, observations, comments from you, teachers, parents/guardians, and others.

- I can provide information or help write part of the Present Level of Performance.

Accommodations:
How schools and my teachers adapt, adjust, or change the physical environment, instruction or services for me so that my disability does not affect my learning. These are based upon my special needs.

- I can help the IEP team decide what accommodations help me.

Goals:
What I intend to accomplish.

- I can help develop the goals of my IEP. I also need to help monitor my progress towards these goals.

Services:
Special supports I will need to benefit from school and reach my goals.

- I need to share information about me and the supports I need.
