I'm Determined **SUMMIT**

Echo Event

February 3, 2024

Appomattox High School

8:30 a.m.-1:00 p.m.

**For Appomattox
youth with
disabilities ages
11-18, and
their families**

The I'm Determined Project facilitates youth, especially those with disabilities, and their families to undertake a measure of control in their lives. Through learning to be more self-determined, youth learn to set and steer the course rather than remaining the silent passenger.
